# SrimanNyayaSudha Mangala

Sri Vyāsarāja maṭha has the unique Glory of being adorned by the holy triad of great Saints (Munitrayaru) - the inimitable Śrīmad Ānandatīrtha bhagavatpādaru who revived the eternal philosophy of Tattvavāda, through his Bhāṣyas to the Upaniṣat-tugaḷu, gīte and brahmasūtragaḷu and Sarvamūla in general , Śrī Jayatīrtha or Tikhakrtipādaru, the unparalleled commentator who wrote ṭikegaḷu to Ācārya's works, and finally Śrī Vyāsatīrtharu or Vyāsarājaru famous for his Vyāsatraya, and for being the torch bearer of Dāsa sāhitya – . Hence, Vyāsarāja maṭha is rightfully called the Munitraya pīṭha. Many other illustrious disciples like Śrī Bhāṣyadīpikācāryaru (Śrī Jagan-nāthatīrtharu), Śrī Śēṣacandrikācāryaru (Srī Raghunāthatīrtharu), Śrī Kambaḷūru Rāmacan-dratīrtharu (sampradāya pravartakaru) and many other luminaries have adorned this lineage . Several grhasta śiṣyaru like Śrī Viṭṭalācārya, Śrī Kundalagiri ācārya and many others have also richly glorified the academic prowess of Śrī Vyāsarāja Maṭha

Śrīman n'yāyasudhā

The present incumbent to this hallowed Pīṭha, Paramapūjya Śrī Vidyāśrīśatīrtharu a scholar-par-excellence and unequivocally revered by one and all, is continuing to carry forward the tradition and in many ways has restored them to newer heights. He provides his scholarly ex-positions to seekers on the crown jewel of Dvaita tattvaśāstra, Śrī Tīkaktipādaru's magnum opus, Śrīman n'yāyasudhā, alongwith the three jewels that adorn the crown further beautifying it, the three works of Śrī Vyāsarāja - tātparya candrikā, n'yāyāmṛta, tarkatāṇḍava, collectively called Vyā-satrāya along with the academic pursuits he has been actively pursuing the all-round development of the Śrīmaoun, since his ascension. The seed in the form of Sri Vyāsatīrtha Vidyāpīṭha sown ten years ago by him in his Pūrvāśrama watered and nourished after his ordainment has grown rapidly to become a tree that, flowered and is bearing the first set of fruits this year. The Vidyāpīṭha is extremely proud to announce the graduation of its highly talented first batch of Śrīman N'yāyasudhā Scholars in Mysore. The four students who have studied Śrīman N'yāyasudhā along with the Vyāsatrāya under the guidance of Paramapūjya Śrī Vidyāśrīśatīrtharu ,will be formally tested by eminent scholars and Pīṭhādhipatigālu during the Śrīmān N'yāyasudhā Maṅgaḷa Mahōtsava.

# SahasraChandraDarshana Shanthi

Disciples and devotees of the Śrīmaṭha have also resolved to perform the sahasra candra darśana śānti of Paramapūjya śrīpādaru, which is coinciding with the Sudhā maṅgaḷa mahōtsava. Both the events will be held under the fitting appellations Śrīśārpaṇam and viśva pāvana vaibhavam, from 7th through 9th of June. Several grand programs have also been planned to be conducted on these days. As a preamble, the students would be giving examinations in the holy presence of several Saints from the 2nd of June. In addition, the following programs would be undertaken during this period:

- (i) A grand procession of Vyāsatraya and śrīman n'yāyasudhā granthagaḷu
- (ii) Special Durbar on the newly constructed silver throne bedecked with diamonds.
- (iii) Tantrasarokta Homas (72 Mahamantra) for prosperity of the world
- (iv) Vēda and sarvamūla pārāyaṇa
- (v) Variety of Cultural programs by eminent artistes.

There is no doubt that these programs, held in the divine presence of several Pīṭhādhipatigaḷu, will provide an excellent opportunity for the spiritual seekers to engross themselves in a festive fervor. We earnestly desire and request that everyone participate in these programs wholeheartedly in whichever way possible and obtain the blessings of Sri Hari Vayu Gurugalu without fail. **As per ajne of Sripadanaglavaru samoohika HariVayu Stuti and Lakshmi Shobane paryana has been arranged at Sudha Mangala premises on 7,8,9 from Lakshavrutti Harivayustuti Mantra Parayana Samiti (LHVSMPS,Chennai)**
